**WORKING GROUP I CONTRIBUTION TO THE IPCC
SIXTH ASSESSMENT REPORT (AR6)**

Implementation Plan

(Submitted by the Co-Chairs of Working Group I on behalf of the Working Group I Bureau)

WORKING GROUP I CONTRIBUTION TO THE IPCC SIXTH ASSESSMENT REPORT (AR6)

Implementation Plan

1. Introduction

The following document provides the timetable for development and the provisional budget estimate to the IPCC Trust Fund for the production of the Working Group I contribution to the IPCC Sixth Assessment Report.

2. Proposed Timetable

A call for the nominations of experts to serve as Coordinating Lead Authors, Lead Authors and Review Editors will be issued in September 2017, immediately following the 46th Session of the IPCC. Approval and acceptance of the Working Group I contribution to the IPCC Sixth Assessment Report (WGI AR6) is planned for April 2021. In order to achieve this, the timetable for the WGI AR6 is as follows:

2017	
15 September – 27 October	Call for author nominations
2018	
29 January – 4 February	Decision on Selection of authors
25 June – 1 July	First Lead Author Meeting, Guangzhou, China
2019	
7 – 13 January	Second Lead Author Meeting, Vancouver, Canada (TBC)
29 April – 23 June	Expert Review of the First Order Draft
26 August – 1 September	Third Lead Author Meeting, location TBC
2020	
2 March – 26 April	Expert and Government Review of the Second Order Draft
1 – 7 June	Fourth Lead Author Meeting, location TBC
7 December – 31 January	Final Government Distribution of the Final Draft and Final Government Review of the Summary for Policy Makers
2021	
12 – 18 April	Submission to the WGI Session for approval of the Summary for Policymakers and acceptance of the underlying Report, location TBC

In order to conserve resources and reduce both the carbon footprint and the demands on the time of the volunteer author teams, efforts will be made to hold all individual chapter meetings and TS/SPM writing team meetings in conjunction with Lead Author Meetings. The TSU will also help support the use of technology, such as video and web conferencing, to enhance chapter communication and reduce travel.

3. Provisional Budget Estimate

Anticipated budgetary implications to the IPCC Trust Fund are based on the proposed outline with twelve chapters, assuming chapter teams of about 15 authors and a maximum of 50% from developing countries (DC) and countries with economies in transition (EIT).

Activity	DC/EIT Support	Additional Expenditure	Sub-total
First Lead Author Meeting	400,000 100 journeys	68,000	468,000
Second Lead Author Meeting	400,000 100 journeys	68,000	468,000
Third Lead Author Meeting	400,000 100 journeys	68,000	468,000
Fourth Lead Author Meeting	400,000 100 journeys	68,000	468,000
WGI Preparatory Meeting of SPM Drafting Authors ¹	80,000 20 journeys	13,600	93,600
Total			1,965,600

Budget 2018: assuming one Lead Author Meeting with 100 journeys each of DC and EIT Coordinating Lead Authors, Lead Authors and Review Editors at 4,000 CHF per journey plus 68,000 CHF for other meeting costs. A sub-total of 468,000 CHF will be needed from the IPCC Trust Fund in 2018.

Budget 2019: assuming two Lead Author Meetings with 100 journeys each of DC and EIT Coordinating Lead Authors, Lead Authors and Review Editors at 4,000 CHF per journey plus 68,000 CHF for other meeting costs. A sub-total of 936,000 CHF will be needed from the IPCC Trust Fund in 2019.

Budget 2020: assuming one Lead Author Meeting with 100 journeys each of DC and EIT Coordinating Lead Authors, Lead Authors and Review Editors at 4,000 CHF per journey plus 68,000 CHF for other meeting costs. A sub-total of 468,000 CHF will be needed from the IPCC Trust Fund in 2020.

Budget 2021: assuming one preparatory meeting for the SPM Drafting Authors ahead of the WGI Session to approve the Summary for Policymakers, with 20 journeys for DC and EIT Coordinating Lead Authors and Lead Authors at 4,000 CHF per journey plus 13,600 CHF for other meeting costs. A sub-total of 93,600 CHF will be needed from the IPCC Trust Fund in 2021.

The table does not include meetings of the IPCC governing bodies; in particular, it does not include the WGI Session in 2021 to approve the WGI AR6 Summary for Policymakers and accept the underlying Report.

Costs for translation and purchasing of the Assessment Report, shipping costs, and outreach are included in the budget line on 'Publications/Translations' and 'Communication' for 2021 and 2022.

¹ This is a part of the overall budget for IPCC-54 for DC/EIT SPM Drafting Authors who will travel to the WGI Session in support of the approval and acceptance.
